

Community Connector

(Short term employment opportunity)

On behalf of our community, we are seeking a local person to assist in the development of a new community action plan and local place plan. This community led planning project helps identify the main priorities for the area and how the community can help influence and achieve positive changes at a local level.

The main duties will include:

- Carry out and write up interviews with local people and groups
- Support community consultation through community views surveys
- Help analyse results of the community views surveys and interviews
- Help gather facts and figures about the community
- Prepare reports outlining the key findings from the community engagement
- Support the delivery of a community event or similar to provide feedback and help identify key community priorities

The hours are not fixed to provide maximum flexibility for the collection of community views. The work will take place over 6 months.

Rate is £150 per day for up to a maximum of 30 days as a freelance worker. Training for the post will be provided.

You will be motivated and enthusiastic; at ease talking and listening to people; able to take detailed accurate notes; have good report writing skills; and use of IT including online meetings. Experience of research would be helpful.

Application deadline: 15th March 2024
