ABERFELDY, DULL & WEEM

COMMUNITY ACTION PLAN

Progress Update 2026 - Year 1

November 2026

Aberfeldy, Dull & Weem Community Action Plan Steering Group

Our Community Action Plan 2025–2030 sets out a shared vision for Aberfeldy, Dull and Weem. It reflects what local people told us matters most and identifies priorities for action over five years.

The Plan was informed by extensive consultation: 557 community surveys were returned from 1,200 households, 282 people attended a community consultation day, and local businesses and organisations contributed their views.

One year on, this booklet looks at progress across the six themes.

Some projects have moved forward significantly; others are at an early stage or are planned for future years. We want to celebrate achievements while being clear about the work still to do.

Thank you to the community groups, volunteers and partners who have shared updates and worked to turn the Plan into action. This is a community-wide effort, and everyone has a part to play.

If you would like to get involved, please contact us using the details on the back cover.

Gill Steele
Aberfeldy Development Trust Chair

YEAR ONE AT A GLANCE

HOMES & PLACES

Affordable housing proposals have advanced at Corran Rèile and Fisher's Way. The Local Place Plan for Aberfeldy, Dull and Weem has been submitted and awaits completion of the registration process.

PATHS & PUBLIC SPACES

The Calliachar Forest circular route is complete, improvements have been made to riverside paths, and the Taybridge Terrace public toilets have reopened following renovation.

ACTIVITIES & SUPPORT

A new sports clubhouse is in use. Youth activities, creative opportunities, health initiatives and practical support for residents continue through a wide range of local groups.

LOOKING AHEAD

Roads, parking, the town centre, training and employment are among the priorities needing more attention in Year Two.

THEME 1 HOUSING AND DEVELOPMENT

PRIORITY 1 - MORE AFFORDABLE HOUSING		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Complete and submit Local Place Plan to PKC	The draft Local Place Plan for Aberfeldy, Dull and Weem underwent a four-week community consultation in June 2025 and was subsequently submitted to PKC along with the consultation feedback. ADT (Aberfeldy Development Trust continues to work with PKC to complete the validation and registration process.	Continue to work with PKC to fully validate and register the Local Place Plan for Aberfeldy, Dull and Weem.
Create a Local Housing Strategy to establish a clear way forward	ADT has not yet started work on a Local Housing Strategy.	A Local Housing Strategy will be created within the lifespan of the CAP.
Pursue sites and projects already identified and work with partners to identify and develop new sites	Corran Rèile is an eight-home affordable housing development in Aberfeldy on the former slaughterhouse site. The proposal would provide four affordable flats and four affordable houses for people with a local connection. A planning application has been submitted and ADT is awaiting a decision. Subject to planning approval, the next stage would be tendering, which is currently anticipated for early 2027. The Fisher's Way project involves the purchase of three two-bedroom flats in Aberfeldy. ADT has been working with CHT (Communities Housing Trust) and PKC to secure these properties as affordable homes for people with a local connection. Two of the properties are currently unoccupied and ADT hopes that these will be made available through an application process managed by CHT. Duntaylor Avenue is a large housing development currently at the planning stage. ADT is exploring the potential to work with the developer, PKC and CHT to acquire up to 13 homes for community ownership as affordable housing. ADT is working with CHT to develop the business case and assess the financial and operational viability of the proposal. If progressed, the homes would enable ADT to apply its Local Lettings Policy and help address identified local housing needs, including accommodation for essential workers needed to support a sustainable local community.	Continue to progress Corran Rèile and Fisher's Way with project partners and move each project towards delivery. For Duntaylor Avenue, continue to work with CHT, PKC and the developer to develop the business case and explore the feasibility, funding and delivery arrangements for the potential acquisition of up to 13 affordable homes. Given local interest and differing views surrounding the wider development, ADT will continue to consider the proposed acquisition carefully and ensure that any decision to proceed is based on the viability of the project and its potential to meet identified local housing needs.

THEME 1 HOUSING AND DEVELOPMENT

PRIORITY 2 - CONTROL OF SECOND HOMES / SHORT TERM LETS		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Lobby for Short Term Let Control Zone in Highland Perthshire	PKC is proposing to designate a Short-term Let Control Area for Highland Perthshire and the Northern part of Eastern Perthshire housing market areas, subject to Scottish Ministerial approval. Following statutory public consultation last year, those results and the proposal were considered again at the Full Council meeting of 17 June 2026 resulting in agreement to submit the proposed designation to Scottish Ministers for their approval.	ADT awaits the decision from Scottish Ministers.
Work with PKC to develop a Local Lettings Policy	ADT is working with CHT and PKC on a Local Lettings Policy following the purchase of 3 2-bedroom properties in Aberfeldy. Once developed, this Local Lettings Policy will be used for all future developments. The Local Lettings Policy will prioritise local people who are having difficulty finding a home in the community in which they live and work.	Complete the Local Lettings Policy with CHT and PKC and apply it to ADT-owned affordable housing. ADT will discuss and share its lettings policy with the team working on the Town Hall flats.
PRIORITY 3 - DEVELOP USE OF EMPTY BUILDINGS		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Find out the current ownership and proposed use of empty premises	ADT has undertaken some initial work to identify potential empty or underused buildings and has approached a number of local people to explore possible opportunities. However, with limited staff and volunteer capacity, the Trust has prioritised its resources towards progressing the three housing developments currently underway. (see Priority 1 above	ADT will continue to identify potential opportunities as they arise. The Trust is actively seeking funding to increase its staff capacity, which would enable a more proactive and systematic approach to identifying empty and underused properties, establishing ownership and exploring their potential future use.
Consider whether any of these buildings could be put to better use in community ownership, e.g. for affordable housing, community groups/projects, or training/ business development	Initial consideration has been given to opportunities involving empty and underused buildings, including informal approaches and discussions locally. No specific property has yet progressed to the stage of a formal feasibility or acquisition project.	If organisational capacity increases, ADT intends to undertake more proactive work to identify suitable buildings and assess whether community ownership could provide viable new uses, including affordable housing, community facilities or space for local enterprise.
Seek support from Development Trusts Association Scotland (DTAS)	ADT continues to work closely with Development Trusts Association Scotland (DTAS), drawing on its support, advice and wider development trust network. This relationship supports ADT's wider organisational development as well as its ambitions around community ownership and the potential reuse of empty buildings. ADT is currently seeking core funding through DTAS to strengthen the organisation's capacity, sustainability and long-term resilience. Increased staff capacity would enable ADT to progress a wider range of Community Action Plan priorities alongside delivery of its existing housing developments.	Continue to work with DTAS to strengthen ADT's organisational capacity and explore opportunities for community ownership and the productive reuse of empty or underused buildings. If the current funding application is successful, increased capacity will allow ADT to take a more proactive approach to identifying and developing potential projects.

THEME 1 HOUSING AND DEVELOPMENT

PRIORITY 4 - HOUSING FOR AN AGEING POPULATION / ADDITIONAL SUPPORT NEEDS		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Look at models of provision that work elsewhere, including "core and cluster" schemes	ADT has begun considering how future housing provision could better meet the needs of an ageing population and people with additional support needs, including through discussions with CHT. Detailed research into models such as "core and cluster" schemes has not yet been progressed, as available capacity has been focused on delivering ADT's current housing developments.	As organisational capacity increases, ADT will undertake further research into appropriate models of provision and work with partners to understand local need, identify good practice and assess which approaches could be viable locally.
Explore feasibility of relocating existing Scout Hut and use this brownfield site and remaining greenfield site at Dalweem for development of sheltered or similar accommodation	ADT has undertaken initial work to explore the potential relocation of the existing Scout Hall and has considered a possible site for a replacement facility. Discussions have taken place with CHT regarding the potential of the existing site for future housing development, including accommodation that could help meet the needs of an ageing population and those requiring additional support. ADT has also held discussions with the Scottish Land Fund regarding potential funding to support the project. Further development work has temporarily paused while the Trust focuses its limited capacity on progressing its three current housing developments.	ADT remains interested in progressing this opportunity and intends to revisit the feasibility of the Scout Hall relocation and potential redevelopment of the existing site as organisational capacity allows. Securing additional staff resource would enable the Trust to re-engage with partners, explore potential funding routes and undertake the further feasibility and development work required to determine whether the project is viable.
PRIORITY 5 - ENERGY EFFICIENT HOMES		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Continue to be active partners in the Perth & Kinross-wide "Revitalising Homes" project	To be addressed in subsequent years.	
Look at how to develop a one-stop-shop for information on retrofitting homes in Aberfeldy, Dull & Weem	To be addressed in subsequent years.	
Ensure energy efficiency is a top priority for all affordable housing developments	Energy efficiency is a top priority for ADT in the design and delivery of affordable homes. Our aim is not simply to provide affordable housing, but to create high-quality, sustainable homes that remain affordable to live in over the long term. The development will combine energy-efficient building design with air-source heat pumps, renewable electricity from PV panels and other low-carbon measures to minimise energy demand, reduce reliance on fossil fuels and keep household running costs as low as possible. By investing in efficiency from the outset, ADT aims to ensure that the homes deliver lasting benefits for both residents and the environment.	ADT will continue to prioritise energy efficiency in all future development.

THEME 2 TRANSPORT & ACCESS TO SERVICES

PRIORITY 1 - PUBLIC TRANSPORT		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Work with PKC on the "Connecting Regional Travel" project to find potential solutions including: • A direct bus route between Aberfeldy and Perth • Minibus service to connect surrounding villages. • Synchronising bus services with healthcare and train services. • Investigating reduced fare options & using smaller buses	PKC's Public Transport Transformation Project has been established with the following objectives: • A more resilient and future-proof transport system • Improved access and connectivity • Better value for money • Greater operational efficiency • Reduced environmental impact The project aims to provide better data and governance and a wider range of transport delivery options, more reliable, accessible and responsive transport services, improved operational efficiencies, better scheduling, route optimisation, modern technology, and increased use of low-carbon transport and sustainable transport options. The desire is a future transport model which meets the needs of local communities and is affordable, reliable, efficient and effective.	Proposals will be presented to Council in due course.
PRIORITY 2 - ACTIVE TRANSPORT		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Support and promote Draft & Flow Community Cycle Workshop	No specific action identified.	
Work with Upper Tay Paths group to look at feasibility of improving cycle route between Grandtully - Aberfeldy - Kenmore (see Theme 4)	Work ongoing. Highland Perthshire Cycling keen to support this.	
Continue to organise and promote the Tay Valley Lift Share	To be continued in subsequent years.	
Look into Enterprise Car Club	To be addressed in subsequent years.	
PRIORITY 3 - HEALTH & SOCIAL CARE		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Maintain and improve access to health services, by improving transport access (Tay Valley Connections) and by supporting services to be delivered locally.	See priority 1 above. No further action taken in Year 1.	
Encourage and enable people to lead healthier lives and campaign to make Aberfeldy the Healthiest Town in Scotland.	Local community orchard has been created by Dull & Weem. HTA (Healthiest Town Aberfeldy) has put on a series of events and has produced a Food Plan to enable people to access healthy food.	
Set up a Social Care Working Group of community organisations and social care providers to look at provision, gaps, and opportunities	No action to date.	

THEME 2 TRANSPORT & ACCESS TO SERVICES

PRIORITY 4 - NURSERY & CHILDCARE		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
As part of a feasibility study into moving the Scout Hut (see Theme 1), explore potential to increase provision for nursery and childcare	Carried forward to subsequent years.	
Find out how Pitlochry set up "wrap around" childcare provision at Pitlochry High School	Carried forward to subsequent years.	Discussion with PHS parent council planned.
Carry out a feasibility study into offering a similar provision	Carried forward to subsequent years.	
PRIORITY 5 - BANKING HUB		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Birks Cinema to continue to act as the location for the Bank of Scotland's Community Banker	Following representation from local politicians and local residents, HM Treasury advised that they would carry out a review of the criteria around Acces to Cash and Banking Hubs in the last quarter of 2026. A concerted effort was made in Aberfeldy, with the assistance of Aberfeldy Community Council, and in Pitlochry to raise awareness of the consultation and to have as many businesses and residents as possible highlight the problems which the lack of bank branches is having.	The outcome of the Treasury Review is awaited.
Pursue efforts to bring a full banking hub to Aberfeldy	See above	See above
PRIORITY 6 - PUBLIC TOILETS		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Publicise all the existing publicly available toilets	Carried forward to subsequent years.	
Liaise with PKC about improving the public toilets at Victoria Park	The public toilets in Taybridge Terrace have been fully renovated after extensive vandalism caused their lengthy closure. Both toilets are now fully operational and are being operated between 7.30am – 7.30pm seven days a week with the assistance of PKC staff and a volunteer local resident.	No further action required.
Consider how to make toilets available to the public at the forthcoming Sports Club building.	Carried forward to subsequent years.	

© Tay Valley Connections

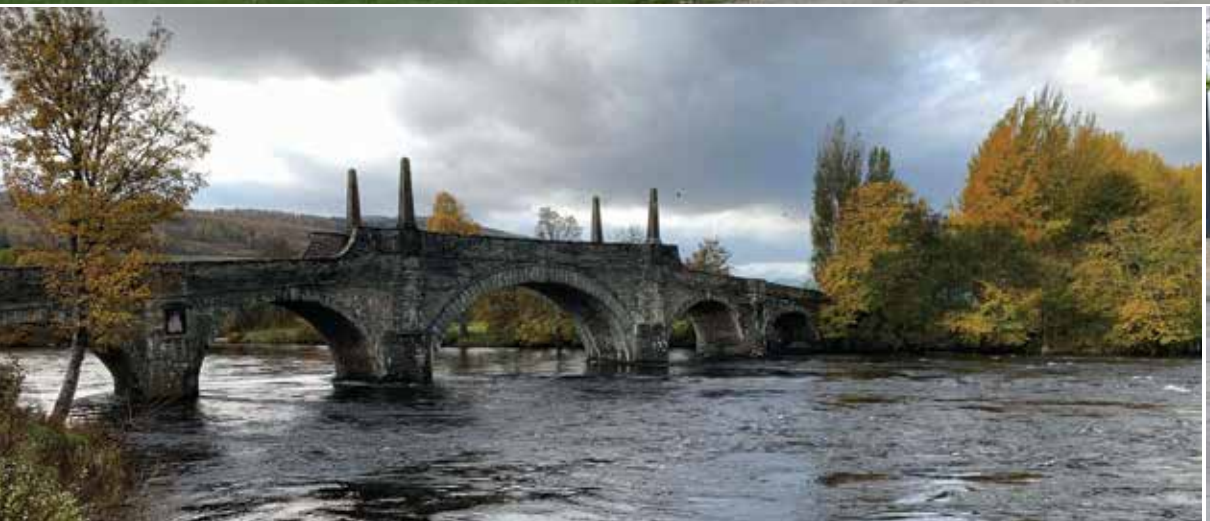

Aspiring to be Scotland's Healthiest Town

THEME 3: ROADS, TRAFFIC & PARKING

PRIORITY 1 - ROADS & PAVEMENT REPAIRS		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Carry out a study to identify priority areas for road and pavement repairs	No action taken to date.	
Work with PKC to schedule repairs	No action taken to date.	
PRIORITY 2 - ROAD SAFETY & TRAFFIC CALMING		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Re-visit the Road Safety Survey and recommended actions carried out by ACC in 2023 to see what has been achieved and what more could be done.	ACC has discussed road safety and circulated a road safety / speeding questionnaire on Facebook. Particular attention being given to road safety around the campus (eg one-way section) Local Ward Councillors have a quarterly meeting with the PKC Road Safety Team where issues of road safety within the town are raised, discussed and prioritised.	ACC chair plans to engage local press re inaction on speeding.
PRIORITY 3 - PARKING IMPROVEMENTS		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Liaise with local businesses regarding staff parking and use of parking spaces for loading/ unloading	Carried forward to subsequent years.	
Identify problem parking issues and hotspots and seek solutions	Carried forward to subsequent years.	
Encourage those who are physically able to walk or cycle within town	Carried forward to subsequent years.	
PRIORITY 4 – BRIDGES		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Work with PKC Structures Team to commission a Conservation Management Plan for Wade's Bridge	The Friends of Wade's Bridge group has been working with PKC and contractors Simpson and Brown to develop a Conservation Management Plan for Wade's Bridge. A draft plan has been presented and feedback provided. In addition, a 3D survey of the bridge has been undertaken. The plan details the condition of the various structural and non-structural elements which make up the bridge from below the water level to the top of the columns. This will highlight the care and maintenance required to maintain the bridge and conserve it for the future.	To deliver the Conservation Management Plan, subject to funding.
Raise funds and involve the community in the restoration and conservation of Wade's Bridge	Any action will take place once the Conservation Management Plan has been finalised. (see above)	
Support Aberfeldy Golf Club to explore safe and sustainable options for the future of the Plastic Bridge	Initial informal dialogue with the Golf Club has been undertaken regarding the condition and future of this structure.	Further discussions are required and will be arranged in Year Two.
Maintain the riverside footbridges (see Theme 4)	No action taken in Year 1.	

THEME 4: ACCESS & THE ENVIRONMENT

PRIORITY 1 - PATHS, CYCLE ROUTES AND IMPROVED ACCESS		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Complete the project to improve and update signposts on the Core Path network	Maintenance and signposting of the Core Paths continues across the district	Ongoing
Improve access to Calliachar Forest by establishing a circular route from The Birks to Calliachar Forest and The Dun	Completed.	
Restore or re-route paths that are damaged by beaver burrows and by river erosion	Upper Tay Paths Group did a programme of repairs through winter and spring into 2026. This brought the Aberfeldy - Comrie Bridge path into better condition.	The riverbank to the east of Beyond Adventure is collapsing and will require funding and a major programme of work. The information gathering process should start in late 2026.
Assess the feasibility, cost and funding available to improve the surface for cycling the Grandtully - Aberfeldy - Kenmore Core Path	The intention is to obtain landowner approvals for improving the surface of the riverside path to the east of Aberfeldy.	If approvals are received work could be done in Spring 2027.
Maintain the riverside footbridges to the west (4) and east (1) of Aberfeldy	Inspection and maintenance have been completed.	There will be a programme of work to replace handrail posts in late 2026
PRIORITY 2 - GREENER ABERFELDY		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Bring together local groups, experts and interested parties to progress this action, potentially leading to setting a "Greener Aberfeldy Action Group"	Several interested parties have met to discuss ways in which this could be achieved, including becoming a Transition Town. The general feeling is that no one wants yet another new organisation.	This will be continued in subsequent years to see if a solution can be found.
Building on the reputation of Aberfeldy as Scotland's first Fairtrade town, look at developing a strategy to become a measurably greener community	There has been a proposal for doing a community carbon footprint audit; this would need a lot of funding to be done meaningfully.	Discussions will continue on whether this would be useful and worthwhile.
PRIORITY 3 - FLOOD MEASURES & EMERGENCY PLANNING		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Develop and promote a community-wide Emergency Plan, to ensure anyone affected can be contacted and assisted, especially elderly and vulnerable.	Aberfeldy's emergency plan is currently being updated.	ACC and Tayside Waders will continue to liaise.
Work with landowners and land managers to promote and improve practices that will reduce flood risk (e.g. riverbank restoration and tree planting)	No action will be taken in the context of the CAP. This is an issue for ScotGov via grant schemes at a wider landscape scale.	No further action.
PRIORITY 4 - LITTER AND DOG FOULING		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Decide on locations for dog waste bins and agree with PKC how these will be emptied and maintained	No action to date.	ACC will liaise with local councillor.
Continue to organise regular community litter picks	These continue monthly.	No further action.
Develop a campaign to influence visitors and locals to reduce littering and dog fouling	No action to date.	

THEME 5: COMMUNITY, RECREATION & CULTURE

PRIORITY 1 - COORDINATE EXISTING FACILITIES AND GROUPS		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Convene a regular community forum to bring groups together to share information, ideas and progress	The Stronger Communities Network facilitated by PKC's Community Learning & Development team ceased in April 2025. Tay Valley Connections (TVC) has continued to operate the Aberfeldy Information Centre but has not yet attempted to developed a regular forum for groups to come together.	Attempts are now being made by NHS Scotland to restart the Network. TVC holds information required to inform the community and visitors about activities and organisations in the area. It will contact as many groups as possible to see if and how they would be interested in getting together.
Build on existing resources to develop an Aberfeldy area website and introduce a community calendar	Referral to existing resources is provided by the Aberfeldy Information Centre. Work has begun on a website for resources in the Aberfeldy area and is available on the Locus Breadalbane website.	
PRIORITY 2 - MORE FOR YOUNG PEOPLE & CHILDREN		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Local organisations e.g. The Breathe Project, Aberfeldy Scouts, sports clubs etc. continue to offer activities for all young people	• Stay and Play at the church for mums and toddlers with food and drink provided from the café. • Irregular support in the form of food and clothing depending on funding. • Rock Steady weekly youth club for P6 – S2. • Breathe for older kids including monthly outing. • Two paid youth workers appointed. • Both the golf and rugby clubs have held events for young people to encourage participation.	
Tay Valley Connections to establish a Young People's Forum	Initial discussions and a plan to establish a Young People's Forum have been completed.	The plan will be initiated in autumn 2026 commencing with a meeting with representatives of Breadalbane Academy.
Birks Cinema to explore opportunities to provide more cultural and entertainment activities for children and young people	Events such as Lego Club and animation workshops continue to be held. New in 2025-26 include: • Seven one-year Foundational Apprenticeships in Creative & Digital Media in partnership with Breadalbane Academy and the opportunity to work with the Scottish Film Foundation; • 326 children attending five book-themed films as part of the Into Film Festival; • Wild Schools Day; • Suitcase Stories for nursery children; • Gaelic film and workshop for Gaelic-medium pupils.	Starting in autumn 2026, a Young Programmers Club for 15-19 year-olds who will help to programme the Birks Wilderness Festival for March 2027.
ADT to explore feasibility of a project to relocate the existing Scout Hut	See Theme 1, Priority 4.	

THEME 5: COMMUNITY, RECREATION & CULTURE

PRIORITY 3 - CONSERVE & PROMOTE LOCAL HERITAGE		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Continue to research, promote and share the history and heritage of the area through talks, events and publications	Breadalbane Heritage Society continues to be active.	No further action required.
Campaign for the establishment of a museum in Aberfeldy to preserve the town's heritage	Museum collection continues to be developed with recent acquisitions of a model Aberfeldy station from a contributor in the States and glass plates from the old Dalgliesh the chemist's shop. There is an annual event organised with and for Breadalbane School pupils. Digitised film from 1920s – 1950s shown in partnership with Birks Cinema.	
Complete project to restore Wade's Bridge in time for its tercentenary in 2033	See Theme 3, Priority 4.	
PRIORITY 4 - SPORTS & RECREATION		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Progress with the development of a mixed-use clubhouse and changing facility available for both the sporting and non-sporting community.	Clubhouse construction completed and in use.	ASC plans to hold an event in the latter part of 2026 for any sports club to promote itself to the public.
Liaise with Live Active Leisure/Mitie/CulturePK to ensure continued community use of Breadalbane Academy sports and leisure facilities	Community use of Breadalbane Community Campus continues.	
Promote and create opportunities for participation and inclusion in sport and recreation	Healthiest Town Aberfeldy has organised 'Try-Out' events for total beginners to experience a new sport or activity. It is also part of a wider group working with Live Active Leisure and various clubs. Birks Cinema continues to hold weekly chair-based exercise classes and also weekly yoga classes for children with additional support needs.	HTA is considering creating a Recreation and Sports Plan to identify gaps and opportunities for more people to become involved and for specific demographic groups.

© Beyond Adventure

© Brian Morrison Breadlbane FC

THEME 5: COMMUNITY, RECREATION & CULTURE

PRIORITY 5 - A CARING COMMUNITY		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Continue to support and acknowledge the work being done by many groups and organisations in the area to support elderly and vulnerable people, those needing additional support, and people struggling with debt and poverty	• Warm Connections provides energy advice all year round. • The Church runs a Warm Welcome café once a week • Breadalbane Community Larder has become a SCIO working on Zero Waste with Co-op. • There is a new Debt Coach for Christians Against Poverty, based at the Church so debt centre work continues. • Upper Tay AntiPoverty Support Group is now an independent charity: food vouchers, Christmas hampers for all CAP clients and referals from the school. • Waddle and Quack walking group weekly. • Shoot the Breeze mens group in the Chraggs. • Horizon Club • Birks Cinema has introduced Feldy Folk Tales, a weekly storytelling group for older residents. • Highland Perthshire Plus now has a member of staff working to support families with members who have additional support needs. It continues to run the Star Café at the Birks Cinema, the Star Project (supported volunteering 2 days per week), a summer holidays activity programme, and provision of advocacy services and information-giving. • Birks Cinema running mental health event in collaboration with local primary schools as part of the Scottish Mental Health Arts Festival 2026. • The Friday Club for people living with dementia is proving very popular and attendance by people with this neurological condition is growing. • Cinema operates as a Warm Hub throughout the winter.	Fairer Futures Fund -Full-time post created in Aberfeldy to co-ordinate all the anti-poverty initiatives across Highland Perthshire with the aim of closing benefits gap with a one-to-one service. Highland Perthshire Plus is working with the Council on creation of supported housing for adults with additional support needs. See Theme 1, Priority 4. The Friday Club is considering how it may expand to accommodate more members.

© Horizon Lunch Club

THEME 6: LOCAL ECONOMY & THE TOWN CENTRE

PRIORITY 1 - ABERFELDY TOWN CENTRE IMPROVEMENTS		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Convene a Town Centre Action Group to take forward	No action to date	
Review proposals/plans in Town Centre Charette 2015	No action to date	
Draw up a plan of action including tidying up/cleaning up the town centre, use of the Square, use of empty shops, promotion of local businesses	No action to date	
Link with Theme 3: Roads, Traffic & Parking	No action to date	Prioritise Themes 3 and 6 for Year Two
PRIORITY 2 - BUSINESS & TOURISM SUPPORT		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Invite GrowBiz to support networking, guidance and facilities for new and existing businesses	Attempts to contact GrowBiz have not been successful.	Continue to explore how Growbiz might support this Theme.
Build on the Business Survey results to find business-led solutions to issues raised e.g. parking, transport, staff, promotion	As above	As above
Explore and encourage “shop local” initiatives.	As above	As above
PRIORITY 3 - TRAINING & JOBS		
ACTION	**PROGRESS TO DATE**	**UPCOMING PLANS**
Liaise with the school, UHI Perth and PKC to find out what other training (e.g. ‘green skills’, childcare, social care) could be offered	No action to date	Prioritise for Year Two
Liaise with The Workshop and Glen Lyon Coffee to find out how they have set up their training schemes	No action to date	Prioritise for Year Two
Seek involvement and support from Perth and Kinross Local Employability Partnership	No action to date	Prioritise for Year Two

MAKING IT HAPPEN

The Community Action Plan belongs to the whole community, and its success depends on the continued involvement and enthusiasm of local people, organisations and volunteers. If you are interested in finding out more about any of the groups mentioned in the CAP, please get in touch.
